LOCATION:

Located along Florida's southeast coast, just one hour north of Miami and two hours southeast of Orlando, The Palm Beaches represent a diverse collection of 39 cities and towns. The Palm Beaches span from the coastal cities of Tequesta and Jupiter to Boca Raton and Highland Beach, and out West to Lake Okeechobee.

HOW WE GOT OUR NAME:

Palm Beach's name was inspired by *The Providencia*, a cargo ship carrying 20,000 coconuts that ran aground off its shores in 1878. Coconut palms grew where the coconuts were planted, creating Florida's first coconut grove and palm tree lined coast.

GOLF:

The Palm Beaches are Florida's Golf Capital®, with more than 160 public and private golf courses.

CULTURAL:

More than 200 museums, theaters, and cultural attractions make this destination Florida's Cultural Capital®.

AMERICA'S FIRST RESORT DESTINATION®:

Between 1894-1896 Flagler built two waterfront resorts, the Royal Poinciana Hotel and The Breakers, as well as Florida's first 9-hole golf course, putting The Palm Beaches on the map as America's First Resort Destination, the first destination developed exclusively for tourism.

ACCESSIBILITY:

In addition to three nearby airports (PBI, FLL & MIA), travelers can access The Palm Beaches by train via Tri-Rail and Brightline (West Palm Beach & Boca Raton stations). The destination is also an easy drive from Orlando, Tampa, Fort Lauderdale and Miami for those traveling by car.

HOTELS & RESORTS:

From iconic resorts and well-appointed modern hotels to waterfront views and downtown hot-spots, more than 18,000 guestrooms welcome visitors throughout the destination, in every style and price point.

DINING:

There are 3,200+ dining venues, a thriving community of celebrated chefs, five food and drink tours, and 20+ breweries.
