Cover Your Event Insurance

VISIT FLORIDA now accepts applications for Cover Your Event Insurance for the 2024, 2025, and 2026 hurricane seasons!

Weather is what it is, we can't change that. But VISIT FLORIDA has developed the Cover Your Event program to help meeting planners and organizations feel more confident in planning and scheduling their meetings or events in Florida with the potential risk of cancellation due to weather.

This free program offers coverage that will provide reimbursement of certain costs in the unlikely event of a cancellation due to a named hurricane during the Atlantic Hurricane season, as established by the [National Hurricane Center](#). This program is open for applications for coverage during Hurricane seasons in 2024, 2025, and 2026.

VISIT FLORIDA offers this program free of charge to organizations hosting meetings and events in Florida because we recognize the importance of the meetings industry to our state! For meetings scheduled in 2024, room block contracts with any hotel located in Florida are eligible. **For meetings scheduled in 2025 and 2026, only room block contracts with VISIT FLORIDA Partners at the time of application are eligible for coverage and you must apply within 30 days of contracting.**

- Coverage must be bound 30 days from the event start date. Any existing storm, disturbance, or event is a pre-existing circumstance and excluded at the effective date of adding an individual event.
- Loss due to named hurricanes only. Named hurricane is defined as any hurricane or named storm with hurricane development potential as defined by the [National Hurricane Center in Miami](#). If the storm disseminates or diminishes, leading an organizer to reschedule their event, coverage is still triggered.
